RE: Northfield Macedonia Cemetery

Dear Friends of The Northfield Macedonia Cemetery,

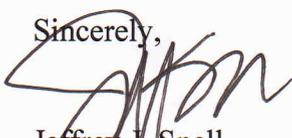

The Cemetery has been closely monitoring the effect of COVID-19 in our community. While we still continue to serve our community, we also need to take steps to protect our employees and all of our patrons. In this effort we are making adjustments and will continue to make changes as necessary.

1. The cemetery offices will continue their normal office hours. We ask that you try to avoid visits to the office during governmental restrictions and recommendations of social distancing. Before coming to the cemetery office please first call and speak to Daniel Sakal at 330- 468-1608 or myself at 216-288-5690 in an effort to resolve your matter without the need for face-to-face communication, if possible.
2. All services will be available with some adjustments. We recommended that you schedule a burial at a time when the current restrictions are lifted. During the period of governmental restrictions and recommendations burials may be celebrated at the cemetery with immediate family members only, keeping in mind the need for social distancing. We encourage any published obituary to state that the burial will be private. Please keep in mind the maximum number of persons in attendance according to government directives and recommendations.

We appreciate your assistance during this difficult time and look forward to working with you.

Thank you.

Sincerely,

Jeffrey J. Snell
Clerk-Treasurer
